

## USA Pavilion Restaurant and Food & Beverage

Food & Beverage, A Taste of America: Take a culinary road trip across the United States at the USA Pavilion's full-service restaurant. Operated by Living Hospitality, this space-themed dining experience features a menu inspired by classic American ingredients and regional favorites.

Visitors can enjoy dishes like the Stellar Maine Lobster Roll, Quasar Quinoa Salad, and Meteorite Rocky Road Brownie. Whether you're craving bold barbecue, fresh seafood, or a classic American dessert, every dish offers a flavorful stop on your journey through "America the Beautiful." Vegetarian, vegan, and children's menu items are available, as well as a fun chocolate chip cookie grab-and-go cart which is certain to be a popular favorite at the Expo.

In the Pavilion private meeting and event spaces, hosts and guests can also enjoy a full range of in-house catering options with cuisine representing the diverse regions of the United States. The private lounge and bar area will feature beer, wine, and spirits from various regions of the United States as well as a bespoke cocktail menu.
